Irion	Behavioral Health Partial Hospitalization Program (PHP)	Are not available in sufficient numbers;	ACCESS PLAN Per §11.1607(j) (7), the following is a description of the processes and procedures followed by Baylor Scott & White Health Plan (BSWHP) to assure that specialties and in all geographic areas which are identified in the remainder of the access plan; it is entered in this section to assure that Baylor Scott & White Health Plan (BSWHP) has active policies and procedures in place that enable members to utilize authorized services as in-network. Baylor Scott & White Health Plan (BSWHP) then negotiates a Letter of Authorization (LOA) with the provider to ensure that the member receives in-network benefit coverage. Covered member is not balance billed and/or penalized by Baylor Scott & White Health Plan (BSWHP) for not having a required provider specialty for the covered member. Covered member will not be penalized or denied care for other benefits. The information below describes the counties and specialties where Baylor Scott & White Health Plan (BSWHP) does not have an adequate provider network to enable enrollees to obtain in-network benefits is provided in each section. Baylor Scott & White Health Plan (BSWHP) has active policies and procedures to ensure that members receive services as in-network in all counties and for all specialties and services where the network is inadequate. Baylor Scott & White Health Plan (BSWHP) negotiates with providers to ensure the member receives in-network benefit coverage. Covered member is not balance billed and/or penalized by Baylor Scott & White Health Plan (BSWHP) for not having a required provider specialty for the covered member. Covered member will not be penalized or denied care for other benefits. In the event a Member is unable to get specialized services within the contracted network; our contracting team will immediately research and identify the provider. If a provider is identified, we will execute a Single Case Agreement with that Provider and begin the contracting process. Baylor Scott & White Health Plan (BSWHP) leadership continually evaluates the adequacy of the provider network through various means such as the monitoring of concerns and access issues from Members and other providers, and business expansion strategies. Baylor Scott & White Health Plan (BSWHP) negotiates with providers to assist with gaps in coverage in areas where there is a lack of providers, especially in rural areas. Baylor Scott & White Health Plan (BSWHP) negotiates case agreements and letters of agreement, to ensure that members will not be balance billed for services by out-of-network providers. "Provider hereby agrees that in no event, including, but not limited to non-payment by Baylor Scott & White Health Plan (BSWHP), insolvency, or breach of contract, Provider shall, from, seek compensation, remuneration or reimbursement from, or have any recourse against Member or any person or persons acting on her behalf. Additional Information 1.The provider list (provider directory and/or online directory) includes individual provider(s) listed many times at several different addresses; for availability of individual provider that the provider listed numerous times, can adequately serve the enrollee population when they have multiple practice addresses based on the contracted group's employee physicians that rotate between practice facilities. For example, Provider A works at location 1 Monday thru Wednesday and at location 2 Thursday thru Friday. For hospital based provider groups, Baylor Scott & White Health Plan (BSWHP) is contracted with groups that consist of 30 or more providers that rotate between practice facilities. For example, Provider A works at location 1 Monday thru Wednesday and at location 2 Thursday thru Friday. For hospital based provider groups, Baylor Scott & White Health Plan (BSWHP) is contracted with groups that consist of 30 or more providers that rotate between practice facilities. For example, Provider A works at location 1 Monday thru Wednesday and at location 2 Thursday thru Friday. 2. There are repeated providers on our provider list that are practicing within a group/company that has multiple locations (i.e. large clusters of providers).

Covered member is not balance billed and/or penalized by Baylor Scott & White Health Plan (BSWHP) for not having a required provider specialty for the covered member. Covered member will not be penalized or denied care for other benefits. In the event a Member is unable to get specialized services within the contracted network; our contracting team will immediately research and identify providers. If a provider is identified, we will execute a Single Case Agreement with that Provider and begin the contracting process. Baylor Scott & White Health Plan (BSWHP) leadership continually evaluates the adequacy of the provider network through various means such as the following: monitoring concerns and access issues from Members and other providers, and business expansion strategies. Baylor Scott & White Health Plan (BSWHP) negotiates with providers to assist with gaps in coverage in areas where there is a lack of providers, especially in rural areas. Baylor Scott & White Health Plan (BSWHP) negotiates case agreements and letters of agreement, to ensure that members will not be balance billed for services by out-of-network providers. "Provider hereby agrees that in no event, including, but not limited to non-payment by Baylor Scott & White Health Plan (BSWHP), insolvency, or bankruptcy, the Provider shall not, from, seek compensation, remuneration or reimbursement from, or have any recourse against Member or any person or persons acting on her behalf. Additional Information 1.The provider list (provider directory and/or online directory) includes individual provider(s) listed many times at several different addresses; for availability of individual provider that the provider listed numerous times, can adequately serve the enrollee population when they have multiple practice addresses based on the contracted group's employee physicians that rotate between practice facilities. For example, Provider A works at location 1 Monday thru Wednesday and at location 2 Thursday thru Friday. For hospital based provider groups, Baylor Scott & White Health Plan (BSWHP) is contracted with groups that consist of 30 or more providers that rotate between practice facilities. For example, Provider A works at location 1 Monday thru Wednesday and at location 2 Thursday thru Friday. hospital is covered 24 hours a day, 7 days a week. 2. There are repeated providers on our provider list that are practicing within a group/company that has multiple locations (i.e. large clusters of providers).

Covered member will not be penalized or denied care for other benefits due to network inadequacy or lack of providers. The information below describes the counties and specialties where Baylor Scott & White Health Plan (BSWHP) does not have an adequate provider network per §11.1607(j) (7). The information provided to enable enrollees to obtain in-network benefits is provided in each section. Baylor Scott & White Health Plan (BSWHP) has active policies and procedures in place that enable members to utilize authorized services as in-network, in all counties and for all specialties and services where the network is inadequate. Baylor Scott & White Health Plan (BSWHP) negotiates a Letter of Agreement with the out-of-network providers to ensure the member receives in-network benefit coverage. Covered member is not balance billed and/or penalized by Baylor Scott & White Health Plan (BSWHP) for any specialty or service that is identified in an area that does not have a required provider specialty for the covered member. Covered member will not be penalized or denied care for other benefits due to network inadequacy or lack of providers. In the event a Member is unable to get specialized services within the contracted network; our contracting team will immediately research and identify a Provider and execute a Single Case Agreement with that Provider and begin the contracting process. Baylor Scott & White Health Plan (BSWHP) leadership continually evaluates the adequacy of the provider network through various means such as the Network Issue Monitoring process, monitoring concerns and access issues from Members and other providers, and business expansion strategies. Baylor Scott & White Health Plan (BSWHP) negotiates single-case agreements to assist with gaps in coverage in areas where there is a lack of providers, especially in rural areas. Baylor Scott & White Health Plan (BSWHP) includes the following hold-harmless language in its single-case agreements: "Provider hereby agrees that in no event, including, but not limited to non-payment by Baylor Scott & White Health Plan (BSWHP), insolvency, or breach of this Agreement, the Provider shall not be balance billed for services by out-of-network providers when the provider network is inadequate. Provider shall not seek compensation, remuneration or reimbursement from, or have any recourse against Member or any person or persons acting on her behalf for services rendered." Additional Information 1.The provider list (provider directory and/or online directory) includes individual provider(s) listed many times at several different addresses; for availability and access issues from Members and other providers, and business expansion strategies. Baylor Scott & White Health Plan (BSWHP) negotiates single-case agreements to assist with gaps in coverage in areas where there is a lack of providers, especially in rural areas. Baylor Scott & White Health Plan (BSWHP) includes the following hold-harmless language in its single-case agreements: "Provider hereby agrees that in no event, including, but not limited to non-payment by Baylor Scott & White Health Plan (BSWHP), insolvency, or breach of this Agreement, the Provider shall not be balance billed for services by out-of-network providers when the provider network is inadequate. Provider shall not seek compensation, remuneration or reimbursement from, or have any recourse against Member or any person or persons acting on her behalf for services rendered." Additional Information 2. There are repeated providers on our provider list that are practicing within a group/company that has multiple locations (i.e. large clusters of providers listed at the group level but some are individually contracted providers. Contracting duties are not delegated. There are times that Baylor Scott & White Health Plan (BSWHP) delegates the group does the credentialing of their own providers. A pre-delegation assessment is completed to ensure the group follows the same regulatory standards as Baylor Scott & White Health Plan (BSWHP). evergreen and auto renew. " 4a. An estimate of total claims cost savings per year the insurer anticipates will result from using a local market access plan instead of contracting with providers in the service area. Baylor Scott & White Health Plan (BSWHP) does not use a local access plan in lieu of contracting with providers within the service area. The access plan is used in the event a Member is unable to get specialized services within the contracted network; our contracting team will immediately research and identify a Provider and execute a Single Case Agreement with that Provider and begin the contracting process.
Roberts	Psychology	Are not available to contract;	Per §11.1607(j) (7), the following is a description of the processes and procedures followed by Baylor Scott & White Health Plan (BSWHP) to assure that services are available in all geographic areas which are identified in the remainder of the access plan.; it is entered in this section to avoid repetition. Baylor Scott & White Health Plan (BSWHP) has active policies and procedures in place that enable members to utilize authorized services as in-network, in all counties and for all specialties and services where the network is inadequate.
