

## 2025 Access Plan

## Filing information Insurer name NAIC number NET 11670 Network name Network ID SERFF tracking No Supplementary compliance information 28 TAC §3.3712(c)(2)(D) How does the insurer provide access to different types of facilities, as required by Insurance Code §1301.0055(b)(6), concerning Network Adequacy Standards?

## Service area designation

Network Compliance and Waiver Request

Use the check boxes below to select the counties within the network's service area At least one county must be selected for other worksheets to work properly

Check boxes may or may not be visible in the table below. If check boxes are not visible in the "Service Area" column, type "true" or "false"

True = within network False = NOT within network

Each county is required to report 49 specialties. A county that has not been reported 49 times in the Major Medical tab, will highlight red.

Not Applicable - No enrollees currently reside in the county. For any new enrollees residing within the county, insurer will comply with the access plan requirements in 28 TAC $\$3.3707$	Not Applicable - No enrollees currently reside in the county. For any new enrollees residing within the county, insurer will comply with the access plan requirements in 28 TAC §3.3707					
Unable to contract with available providers. Procedures are in place for insurer to comply with the access plan requirements in 28 TAC §3.3707	Unable to contract with available providers. Procedures are in place for insurer to comply with the access plan requirements in 28 TAC §3.3707					
Insufficient number of providers of this specialty type are currently practicing within the network adequacy standards applicable to this county. Procedures are in place for insurer to comply with the access plan requirements in 28 TAC §3.3707	Insufficient number of providers of this specialty type are currently practicing within the network adequacy standards applicable to this facility. Procedures are in place for insurer to comply with the access plan requirements in 28 TAC §3.3707					

Note: The reasons listed in the drop-down menus for the "Reason preferred providers not available" column are provided to facilitate compliance with reporting requirements. The presence of a reason as an option on the drop-down menu does not indicate that it supports a finding of a good faith effort to contract or good cause for a waiver of network adequacy standards.
