Is a primary care physician (PCP) required to direct care?

No. You do not have to select a PCP to direct your care with BSW SeniorCare Advantage PPO plans. You can see a specialist without a referral.

How do you know if your provider is in our network?

Before you enroll, ask your local insurance agent about our provider directory or view “Find a Provider” online at BSWHealthPlan.com/Medicare.

How do you know if your prescriptions are covered?

Ask your local insurance agent or visit BSWHealthPlan.com/Medicare to view the formulary (drug list) and pharmacy directory.

Can you get treatment outside the network?

To maximize your BSW SeniorCare Advantage PPO benefits, all care (except for emergencies) should be provided by network providers; however, you have the choice to obtain services out-of-network at the time of service. Just know that if you use out-of-network providers, you will pay more in out-of-pocket expenses.

Supplemental highlights

Hearing. As part of our commitment to helping with our members' overall quality of life, we offer essential hearing services that are not covered by Original Medicare, including a routine hearing exam and an allowance every three years toward the purchase of hearing aids.

Vision. Regular eye exams may do more than help maintain your vision. They may also help detect other serious health issues such as diabetes or high blood pressure.* Our 2025 plans provide coverage for a routine annual eye exam, plus an annual allowance toward the purchase of contacts, frames and lenses. You must use a network vision provider.

Dental. Original Medicare does not cover traditional dental care, but the BSW SeniorCare Advantage PPO plan features dental benefits through MetLife for no additional premium.

MetLife's Preferred Dentist Program is a dental PPO benefit. You can visit any licensed dentist—in or out of the MetLife PDP Plus dentist network—to receive benefits. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

Find a participating dentist at [MetLife.com](https://www.MetLife.com).

Affordable prescriptions

Affordable prescription drug benefits are included with the BSW SeniorCare Advantage PPO plan. Our plan offers a \$300 prescription drug deductible and copayments as low as \$0 for Preferred Generic Drugs. Your costs for some drugs may be less at pharmacies that offer preferred cost sharing. View the pharmacy directory to find preferred pharmacies near you.

Additional requirements or limits on prescription drug coverage include:

- **Prior authorization:** BSW SeniorCare Advantage requires you or your physician to get prior authorization for certain drugs. This means you will need to get approval from the health plan before you fill your prescriptions.
- **Quantity limits:** Coverage may be limited to how much medication you can get during a specified period of time, typically based on a 30-day period.
- **Step therapy:** This process applies to certain drugs and encourages you to try less costly but equally effective drugs before the plan covers another drug.

Mail order prescriptions

Mail order service is also available. Tier 1 and Tier 2 prescription drugs are available for a \$0 copay; Tier 3 and Tier 4 prescription drugs are available for two copays rather than three for a 90-day supply.

You'll benefit from:

- Three-month supplies of your medications with the option of automatic refills
- Free standard shipping
- Telephone access to pharmacists 24 hours a day, 7 days a week
- Helpful reminders to take or refill your medications

Visit [BSWHealthPlan.com/Medicare](https://www.BSWHealthPlan.com/Medicare) to view the formulary (drug list) and pharmacy directory.

Prescription payment plan option

The **Medicare Prescription Payment Plan** is a new payment option that works with your Medicare Advantage prescription drug coverage. It can help you manage your out-of-pocket drug costs by spreading them across monthly payments that vary throughout the year (January – December). Participation is **not required**.

How it works

If you select this payment option, each month you'll continue to pay your plan premium (if you have one), and you'll get a bill from your health or drug plan to pay for your prescription drugs (instead of paying the pharmacy). There's no additional cost to opt in to the Medicare Prescription Payment Plan.

Is this option right for you?

It depends on your situation. This payment option might help you manage your monthly expenses, but **it doesn't save you money or lower your drug costs**. You're most likely to benefit from participating in the Medicare Prescription Payment Plan if you have high drug costs earlier in the calendar year. Although you can start participating in this payment option at any time in the year, starting earlier in the year (like before September), gives you more months to spread out your drug costs.

Go to [Medicare.gov/prescription-payment-plan/will-this-help-me](https://www.medicare.gov/prescription-payment-plan/will-this-help-me) to answer a few questions, and find out if you're likely to benefit from this payment option.

This option might not be the best choice for you if:

- Your yearly drug costs are low.
- Your drug costs are the same each month.
- You're considering signing up for the payment option late in the calendar year (after September).
- You don't want to change how you pay for your drugs.
- You get or are eligible for Extra Help from Medicare.
- You get or are eligible for a Medicare Savings Program.
- You get help paying for your drugs from other organizations, like a State Pharmaceutical Assistance Program (SPAP), a coupon program or other health coverage.

Information on Your Prescription Benefit

You can view the formulary (drug list) and any formulary restrictions on our website. Your costs for some drugs may be less at pharmacies that offer preferred cost sharing. To view the formulary (drug list) and pharmacy directory, go to BSWHealthPlan.com/Medicare.

The Medicare Prescription Payment Plan is a new payment option to help you manage your out-of-pocket drug costs, starting in 2025. This new payment option works with your current drug coverage, and it can help you manage your drug costs by spreading them across **monthly payments that vary throughout the year** (January – December). **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**

We encourage you to let us know right away, if after becoming a member you have questions, concerns, or problems related to your prescription benefits. For assistance, call our Customer Service Department at 1-866-334-3141 (TTY: 711), 7 a.m. – 8 p.m., October 1 through March 31 from 7 a.m. – 8 p.m., seven days a week (excluding major holidays); and April 1 through September 30 from 7 a.m. – 8 p.m., Monday through Friday (excluding major holidays).

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-866-334-3141 (TTY: 711) October 1 through March 31 from 7 a.m. – 8 p.m., seven days a week (excluding major holidays); and April 1 through September 30 from 7 a.m. – 8 p.m. Monday through Friday (excluding major holidays).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit BSWHealthPlan.com/Medicare or call 1-866-334-3141 to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understand Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2026.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
