Our plan offers a unique integrated healthcare experience, which means your Baylor Scott & White Health doctors and your Medicare Advantage plan are on the same team, sharing resources and collaborating to help you save time and money.

Prescription payment plan option.

The Medicare Prescription Payment Plan is a new payment option that works with your Medicare Advantage prescription drug coverage. It can help you manage your out-of-pocket drug costs by spreading them across monthly payments that vary throughout the year (Jan. – Dec.). This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.

You can opt in to the Medicare Prescription Payment Plan when you enroll in a Medicare Advantage plan or any time during the year as a Medicare Advantage member.

Get <\$0+> premium and prescriptions with Select Rx Assist

Extra Help, also known as a Low Income Subsidy, is a Medicare program that helps people with limited incomes pay for Medicare drug coverage (Part D) premiums, deductibles, coinsurance and other costs. It also relieves those who qualify from having to pay a Part D late enrollment penalty.

In the Select Rx Assist plan, if you qualify for Extra Help,[†] your monthly premium is <\$0> and your covered prescription drugs are <\$0.>

If you don't qualify, you'll pay a <\$18.30> monthly premium and <25%> of the cost of covered drugs after a <\$590> deductible.

Find out if you qualify:
 Medicare.gov/basics/costs/help/drug-costs; or Social Security Administration at ssa.gov/medicare/part-d-extra-help

You won't pay more than <\$35> for a one-month supply of each covered insulin product regardless of the cost-sharing tier and no cost for most adult Part D vaccines.

²If you have Part D prescription drug coverage through another carrier, and you purchase a plan with Part D, your drug coverage will end when your new BSW SeniorCare Advantage plan starts. Medicare Advantage plans do not allow members to have medical coverage and prescription drug coverage through two different Medicare Advantage plans. (Stand-alone prescription drug plans (PDPs) are considered Medicare Advantage plans.) If you enroll in a BSW SeniorCare Advantage medical plan without prescription drug coverage, you may owe a late enrollment penalty if you try to sign up for prescription drug coverage later.
