# We are glad to have you as a member

These days, many health plans compete for your membership, and we're glad you chose Baylor Scott & White Health Plan. With affordable copays, no referrals required to see a specialist, and access to renowned Baylor Scott & White Health system providers and hospitals throughout North, Central and West Texas, you can be confident Baylor Scott & White Health Plan is the right choice for your healthcare needs.

This guide provides contact information you may need throughout your journey with us, and shares helpful tips on how to manage your benefits and your healthcare experience.

# How your plan works

You do not have to select a primary care physician (PCP) to direct your care. You can see a specialist without a referral anytime.

You can find in-network doctors, specialists, hospitals and other providers online through **BSWHealthPlan.com/FindProvider** or by calling Customer Service.

**PPO:** Except for urgent and emergency care, you will pay more out-of-pocket when you visit out-of-network providers, because your out-of-network healthcare services are subject to a higher deductible and coinsurance percentage. Refer to your plan's Evidence of Coverage at **BSWHealthPlan.com/Medicare** for details.

Out-of-network/non-contracted providers are under no obligation to treat members, except in emergency situations. Please call Customer Service or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

**HMO-POS:** Except for urgent and emergency care, you must get your care and services from in-network providers. If you choose to get non-emergency or non-urgent services out-of-network, you will be personally responsible for payment of all out-of-network charges.

#### Ready to help:

Call a customer advocate for answers to benefits questions, claims inquiries, and assistance in locating providers and using online tools and resources.

# Affordable prescriptions

If your plan includes prescription drug benefits, simply present your member ID card at a network pharmacy when you need to fill a prescription.

Additional requirements or limits on prescription drug coverage include:

- **Prior authorization:** BSW SeniorCare Advantage requires you or your physician to get prior authorization for certain drugs. This means you will need to get approval from the health plan before you fill your prescriptions.
- Quantity limits: Coverage may be limited to how much medication you can get during a specified period of time, typically based on a 30-day period.
- **Step therapy**: This process applies to certain drugs and encourages you to try less costly but equally effective drugs before the plan covers another drug.

#### Mail order prescriptions

Mail order service is also available. Tier 1 and Tier 2 prescription drugs are available for a \$0 copay; Tier 3 and Tier 4 prescription drugs are available for two copays rather than three for a 90-day supply.

You'll benefit from:

- Three-month supplies of your medications with the option of automatic refills
- Free standard shipping
- Telephone access to pharmacists 24 hours a day, 7 days a week
- Helpful reminders to take or refill your medications

### Vision care

Regular eye exams may do more than help maintain your vision. They may also help detect other serious health issues such as diabetes or high blood pressure.\* Our plans provide coverage for a routine annual exam, plus an annual allowance toward the purchase of contacts, frames and lenses. You must use a network vision provider. Find a provider at BSWHealthPlan.com/FindProvider.

# **Hearing care**

As part of our commitment to helping with our members' overall quality of life, we offer essential hearing services that are not covered by Original Medicare, including a routine hearing exam and an allowance every three years toward the purchase of hearing aids. Refer to the Evidence of Coverage for details. Find a provider at BSWHealthPlan.com/FindProvider.

Baylor Scott & White Health Plan's plans include dental benefits through MetLife for no additional premium. MetLife's Preferred Dentist Program is a dental PPO plan. You can visit any licensed dentist—in or out of the MetLife **PDP Plus** network—and receive benefits. ¹If you have Part D (Rx) prescription drug coverage through another carrier, your drug coverage will end when your new BSW SeniorCare Advantage plan starts. Medicare Advantage plans do not allow members to have medical coverage and prescription drug coverage through two different Medicare Advantage plans. (Stand-alone prescription drug plans (PDPs) are considered Medicare Advantage plans.) If you enroll in a BSW SeniorCare Advantage medical plan without prescription drug coverage, you may owe a late enrollment penalty if you try to sign up for prescription drug coverage later.

<sup>2</sup>Certain plans without Part D (Rx) prescription drug coverage pay toward your Part B premium. This reduction is applied on your Social Security check. For more information, go to ssa.gov.

#### Find out if you qualify for Extra Help:

Medicare.gov/basics/costs/help/drug-costs; or Social Security Administration at ssa.gov/medicare/part-d-extra-help

<sup>&</sup>lt;sup>3</sup>To help maximize BSW SeniorCare Advantage PPO benefits, use in-network providers for care; out-of-network cost sharing is 35% for most services and 40% for inpatient hospital. There is a \$10,000 out-of-pocket maximum for services received out-of-network.

<sup>\*</sup>Extra Help, also known as a Low Income Subsidy, is a Medicare program that helps people with limited incomes pay for Medicare drug coverage (Part D) premiums, deductibles, coinsurance and other costs. It also relieves those who qualify from having to pay a Part D late enrollment penalty. In the Select Rx Assist plan, if you qualify for Extra Help,\* your monthly premium is \$0 and your covered prescription drugs are \$0. If you don't qualify, you'll pay a \$18.30 monthly premium and 25% of the cost of covered drugs after a \$590 deductible.
