

Supplemental Benefits – PPO

Vision care. BSW SeniorCare Advantage plans include a routine annual exam, plus an annual allowance toward the purchase of contacts, frames and lenses. You can visit an in-network or out-of-network provider—the choice is yours. If you use an out-of-network provider, your share of the costs for your covered services may be higher.

Hearing care. We offer essential hearing services that are not covered by Original Medicare, including a routine hearing exam and an allowance every three years toward the purchase of hearing aids. You may also visit any provider—in or out of network—for routine hearing exams, as well as hearing aid fitting and evaluation. If you use an out-of-network provider, your share of the costs for your covered services may be higher. You may use your hearing aid allowance at any provider, too.

Over-the-counter allowance. BSW SeniorCare Advantage PPO plans feature a quarterly purchase allowance (based on calendar quarter) from participating retailers for eligible over-the-counter items such as bandages, cold and allergy medicines, pain relievers and more.

No-cost fitness program. Through Silver&Fit®, plans include a no-cost fitness membership at participating locations, like the YMCA and more.

Dental care. Plans include dental coverage through MetLife with maximum **benefits up to \$3,500** with thousands of providers to choose from. Coverage includes things like exams, cleanings, X-rays, extractions and fillings, restorative services and even dentures.

MetLife's Preferred Dentist Program is a dental PPO plan. You can visit any licensed dentist—in or out of the MetLife **PDP Plus** network—and receive benefits. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. Find a participating dentist at **MetLife.com**.
