As part of our commitment to helping with our members' overall quality of life, we offer essential hearing services that are not covered by Original Medicare, including a routine hearing exam and an allowance every three years toward the purchase of hearing aids. Dental. Original Medicare does not cover traditional dental care, but the BSW SeniorCare Advantage HMO-POS plans feature dental benefits through MetLife for no additional premium.

MetLife's Preferred Dentist Program is a dental PPO benefit. You can visit any licensed dentist—in or out of the MetLife PDP Plus dentist network—to receive benefits. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

Find a participating dentist at [MetLife.com](https://www.MetLife.com).

Affordable prescriptions

The BSW SeniorCare Advantage HMO-POS plan can be purchased with or without prescription drug benefits. The plan with prescription drug benefits has no prescription drug deductible for Tier 1 and Tier 2 prescriptions and offers copayments as low as \$0 for Preferred Generic Drugs. Your costs for some drugs may be less at pharmacies that offer preferred cost sharing. View the pharmacy directory to find preferred pharmacies near you.

Additional requirements or limits on prescription drug coverage include:

- **Prior authorization:** BSW SeniorCare Advantage requires you or your physician to get prior authorization for certain drugs. This means you will need to get approval from the health plan before you fill your prescriptions.
- **Quantity limits:** Coverage may be limited to how much medication you can get during a specified period of time, typically based on a 30-day period.
- **Step therapy:** This process applies to certain drugs and encourages you to try less costly but equally effective drugs before the plan covers another drug.

Mail order prescriptions

Prescriptions can also be conveniently mailed to your home. For a 90-day supply, Tier 1 and Tier 2 prescriptions are available for a \$0 copay; Tier 3 prescriptions for two copays rather than three; and Tier 4 prescriptions for 35% coinsurance.

You'll benefit from:

- Three-month supplies of your medications
- Free standard shipping
- Telephone access to pharmacists 24 hours a day, 7 days a week
- Helpful reminders to take or refill your medications

Visit [BSWHealthPlan.com/Medicare](https://www.bswhealthplan.com/Medicare) to view the formulary (drug list) and pharmacy directory.

Prescription payment plan option

The **Medicare Prescription Payment Plan** is a payment option that works with your Medicare Advantage prescription drug coverage. It can help you manage your out-of-pocket drug costs by spreading them across monthly payments that vary throughout the year (January – December). Participation is **not required**.

How it works

If you select this payment option, each month you'll continue to pay your plan premium (if you have one), and you'll get a bill from your health or drug plan to pay for your prescription drugs (instead of paying the pharmacy). There's no additional cost to opt in to the Medicare Prescription Payment Plan.

Is this option right for you?

It depends on your situation. This payment option might help you manage your monthly expenses, but **it doesn't save you money or lower your drug costs**. You're most likely to benefit from participating in the Medicare Prescription Payment Plan if you have high drug costs earlier in the calendar year. Although you can start participating in this payment option at any time in the year, starting earlier in the year (like before September), gives you more months to spread out your drug costs.

Go to [Medicare.gov/prescription-payment-plan/will-this-help-me](https://www.medicare.gov/prescription-payment-plan/will-this-help-me) to answer a few questions, and find out if you're likely to benefit from this payment option.

This option might not be the best choice for you if:

- Your yearly drug costs are low.
- Your drug costs are the same each month.
- You're considering signing up for the payment option late in the calendar year (after September).
- You don't want to change how you pay for your drugs.
- You get or are eligible for Extra Help from Medicare.
- You get or are eligible for a Medicare Savings Program.
- You get help paying for your drugs from other organizations, like a State Pharmaceutical Assistance Program (SPAP), a coupon program or other health coverage.

To learn how to opt in to the Medicare Prescription Payment Plan, see next page.

Information on Your Prescription Benefit

You can view the formulary (drug list) and any formulary restrictions on our website. Your costs for some drugs may be less at pharmacies that offer preferred cost sharing. To view the formulary (drug list) and pharmacy directory, go to BSWHealthPlan.com/Medicare.

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January – December). **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.** If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.

We encourage you to let us know right away, if after becoming a member you have questions, concerns, or problems related to your prescription benefits. For assistance, call our Customer Service Department at 1-866-334-3141 (TTY: 711), October 1 through March 31 from 7 a.m. – 8 p.m., seven days a week (excluding major holidays); and April 1 through September 30 from 7 a.m. – 8 p.m. Monday through Friday (excluding major holidays).

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-866-334-3141 (TTY: 711) 7 a.m. – 8 p.m., October 1 through March 31 from 7 a.m. – 8 p.m., seven days a week (excluding major holidays); and April 1 through September 30 from 7 a.m. – 8 p.m., Monday through Friday (excluding major holidays).

Understand the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [BSWHealthPlan.com/Medicare](https://www.BSWHealthPlan.com/Medicare) or call 1-866-334-3141 to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ If your plan includes Part D coverage, review the formulary to make sure your drugs are covered.

Understand Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2026.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

Medicare Prescription Payment Plan participation request form

The Medicare Prescription Payment Plan is a voluntary payment option that works with your current drug coverage to help you manage your out-of-pocket Medicare Part D drug costs by spreading them across the calendar year (January-December). **This payment option may help you manage your expenses, but it doesn't save you money or lower your drug costs.**

This payment option might not be the best choice for you if you get help paying for your prescription drug costs through programs like Extra Help from Medicare or a State Pharmaceutical Assistance Program (SPAP).
Call your plan for more information.
