All plans include dental benefits through MetLife's PDP Plus network. Network providers cost you less, but you can see any dentist you choose and still have coverage.

Vision benefits

Our 2027 plans provide coverage for a routine annual eye exam, plus an annual allowance toward the purchase of contacts, frames and lenses. You can visit any licensed provider, in or out of network, to receive benefits.

CareNav+

This team of experts is a one-stop resource to help you navigate your care and coverage.

Get care from home

For same-day care and prescriptions, virtual care visits are \$0 through MyBSWHealth and Teladoc.

NEW! Heart health program

Our new heart health program is focused on members living with heart failure. Eligible participants who engage with the heart failure care program on the MyBSWHealth app will receive additional benefits such as \$0 copay for visits with a Baylor Scott & White Health cardiologist, nutritional counseling and routine transportation to plan-approved locations. For more information, visit BSWHealthPlan.com/HeartHealth.

Special Supplemental Benefits for the Chronically Ill (SSBCI) are available only to qualifying members with chronic heart failure. Having chronic heart failure alone does not automatically qualify you for these benefits. Eligibility also depends on meeting the Centers for Medicare & Medicaid Services' definition of a chronically ill enrollee and the Plan's SSBCI eligibility criteria.

Experience coordinated care

Hearing aid allowance

Your plan includes an allowance for hearing aids every three years. You can use any provider, in or out of network.

More Rx for less
