

UHC Linked Plans Prior Authorization/ Notification List

Effective January 01, 2026

Prior Authorization is not a guarantee of benefits or payment at the time of service. Reimbursement of authorized services is dependent upon eligibility, benefit limitations / exclusions. There are services and procedures which are not covered by Baylor Scott & White Health Plan / FirstCare or its subsidiaries. These are NOT on the prior authorization list because they are never covered. Benefits vary between plans, so always verify benefits by consulting the member benefit booklet OR contacting a customer service representative to determine coverage for specific services or supplies.

The current list of prior authorization codes, requirements for specific codes, AND online authorization submission is available on the [Baylor Scott and White Health Plan Service Portal](#). Registered users of the secure provider portal website can log in and submit an electronic preauthorization request. Call the number listed on the member's ID card for more information about our secure provider website. Contact your Provider Relations Representative for additional assistance.

We also request notification for certain other services so that we may assist providers and members with discharge planning, care coordination, and case management. All services must be medically necessary and appropriate and meet Texas Medicaid Provider Procedures Manual / BSWHP coverage criteria where applicable. Claims will be reviewed to determine member eligibility at the time of service, benefit availability, evidence of coverage provisions, and claims payment agreements. Benefits are determined by each member's plan. Newly published / assigned codes and new / emerging therapy services or technology not listed may require prior authorization to determine medical necessity. Check with Baylor Scott & White Health Plan before providing these types of services.

Note: Health Maintenance Organization (HMO) products are offered through Scott and White Health Plan dba Baylor Scott & White Health Plan, and Scott & White Care Plans dba Baylor Scott & White Care Plan. Insured PPO and EPO products are offered through Baylor Scott & White Insurance Company. Scott and White Health Plan dba Baylor Scott & White Health Plan serves as a third-party administrator for self-funded employer-sponsored plans. Baylor Scott & White Care Plan and Baylor Scott & White Insurance Company are wholly owned subsidiaries of Scott and White Health Plan. These companies are referred to collectively in this document as Baylor Scott & White Health Plan.
