

## 2026 Medicare Part B Diabetic Supplies

### Preferred Diabetic Supplies (glucose meters, glucose monitor system/kits, and test strips)

- The below list of preferred diabetic testing supplies (glucose meters, glucose monitor system/kits, and test strips) is available for coverage to members.
- Coverage for test strip quantities that exceed the standard quantity limits defined by Centers for Medicare & Medicaid Services (CMS) is subject to the coverage criteria in LCD L33822.<sup>1</sup>

Preferred Diabetic Supplies

### Non-Preferred Diabetic Supplies (glucose meters, glucose monitor system/kits, and test strips)

- Non-preferred diabetic supplies (glucose meters, glucose monitor system/kits, and test strips) may be available for members if certain coverage requirements are met, such as step therapy and quantity limit restrictions.
- Coverage for a non-preferred diabetic supply is subject to the Non-Preferred Diabetic Testing Supplies Step Criteria<sup>2</sup>. Step therapy requires trial of preferred products to treat a medical condition before covering a non-preferred product.
- Coverage for test strip quantities that exceed Centers for Medicare & Medicaid Services (CMS) defined quantity limits is subject to the coverage criteria in L33822 – Glucose Monitors<sup>1</sup>.
